## ¡HOLA Y BIENVENIDO!

With deep appreciation, I recognize the hard work of the Mayor's Hispanic American Advisory Board (MHAAB) and the Florida Department of Health-Duval County in producing this resource to help navigate challenges and improve the quality of life here in Jacksonville.

Our city's Hispanic community continues to grow and remains an integral part of Jacksonville's cultural fabric. I am grateful for those local professionals, businesses and organizations that continue to embrace our Hispanic community and ensure that they are connected with the many exciting things happening in our city.

This guide, specifically designed as a resource for our Spanish-speaking population, offers helpful information for your medical, legal, neighborhood and government needs.

Join me in taking pride in your community and in helping us build 'One Ciudad. One Jacksonville.'

Gracias,
